PROFESSIONAL SUMMARY

A Bachelor of Science in Information Technology graduate with a specialization in Multimedia Technology, experienced in creating publication materials, engaging social media graphics, and event branding. Adept at collaborating with creative teams, utilizing design and photography skills to produce quality visual content.

WORK EXPERIENCE

Office of External Relations, Divine Word College of Legazpi

Legazpi City

Multimedia Intern

Feb 2026 – May 2026

- Designed and produced visual publication materials such as tarpaulins and promotional content using Canva and Microsoft Office, achieving consistent branding for institutional events.
- Created social media publication materials aligned with DWCL's visual identity, enhancing the college's online presence and improving promotional reach.
- Captured and contributed photographs and layout designs to the 65th DWCL Coffee Table Book, supporting the documentation of key institutional achievements.
- Documented events through photography and assisted in publication production on the 65th DWCL Foundation Anniversary Working Committee, ensuring comprehensive coverage of activities.
- Collaborated closely with team members to optimize design workflows and enhance content quality for various digital platforms.

Freelance

Legazpi City

Creative Designer

Aug 2025 – Present

- Designed promotional content for clients, ensuring visually appealing and brand-consistent designs.
- Developed print-ready layouts using Adobe InDesign, Canva, and Adobe Photoshop.
- Collaborated directly with clients to understand project requirements, revise designs based on feedback, and deliver high-quality creative solutions on time.
- Applied typography, visual hierarchy, and branding principles to improve readability, user engagement, and overall design quality.
- Managed multiple design projects simultaneously while maintaining strong attention to detail and meeting project deadlines.

LEADERSHIP EXPERIENCE

Senior Student Council

Legazpi City

Secretary

Nov 2025 – June 2026

- Managed official documentation, administrative records, and meeting minutes using Microsoft Office, leading to organized and efficient council operations.
- Assisted the Student Affairs and Services Office (SASO) in daily operations, ensuring smooth administrative processes and enhanced student services.
- Designed presentation slides for the 58th DWCL Commencement Exercises, elevating the professionalism and visual quality of the program.
- Created publication materials and social media content for various student activities, effectively promoting events and increasing student engagement.
- Represented the graduating class in the Senior Student Council, overseeing production of the Batch 2026 Graduates' Yearbook and organizing related events.

The Channel Publication

Chief Photojournalist & Senior Graphic Artist

Legazpi City

Aug 2024 – June 2026

- Led visual content production for print and digital releases, enhancing the overall quality of publications and ensuring adherence to brand guidelines.
- Designed publication layouts for magazines, newsletters, and brochures using Adobe InDesign, successfully maintaining consistent quality and strong branding across materials.
- Covered institutional events through photography for print and digital publications, producing high-quality visual content that strengthened news stories and social media engagement.
- Contributed to The Channel's success at the 23rd Regional Tertiary Schools Press Conference (RTSPC), winning awards for Best Visual Arts, Best Page Design, and Best Cover Design.
- Served on committees for significant events, documenting activities through photography and assisting in publication production, resulting in timely event documentation and promotional materials.

Computer Science and Information Technology – Society

Head, Creatives and Technical Committee

Legazpi City

Aug 2023 – June 2025

- Designed promotional materials for student activities and academic events, resulting in visually consistent and engaging event promotions.
- Assisted in event branding and multimedia content production, strengthening the organization's visual identity and overall presentation.
- Prepared digital presentations and visual materials for organizational programs, enhancing the professionalism and impact of CSIT-S activities.

PROJECT EXPERIENCE

Better Batter Café Menu Design

Freelance – Layout Artist

Legazpi City

Feb 2026

- Designed a complete 17-page food and beverage menu for Better Batter Café in Legazpi City using Adobe InDesign and Canva.
- Applied clear typography, visual hierarchy, and consistent branding to improve readability and overall customer experience.
- Collaborated with the client to refine layouts and produce print-ready files that aligned with the café's brand identity.

2DibayNigator (2D Divine Navigator)

Capstone Project – UI/UX Designer & Frontend Developer

Legazpi City

Aug 2024 – Dec 2025

- Developed a mobile campus navigation application using Flutter and Dart that features an interactive clickable 2D digital map of DWCL Arnold Janssen Campus, enabling students and visitors to easily locate classrooms, offices, and facilities.
- Integrated an AI-powered chatbot using DeepSeek Reasoner and Firebase to provide instant answers to frequently asked questions and step-by-step guidance on enrollment procedures and school credential document requests.
- Designed a user-friendly interface focused on usability and accessibility, reducing confusion for new students and visitors while improving efficiency in navigating campus spaces and administrative processes.
- Built the system exclusively for Android devices, delivering a reliable and portable solution that supports campus navigation and school process guidance in an efficient digital format.
