PROFESSIONAL SUMMARY

A Bachelor of Science in Information Technology graduate with a specialization in Multimedia Technology, experienced in creating publication materials, engaging social media graphics, and event branding. Adept at collaborating with creative teams, utilizing design and photography skills to produce quality visual content.

WORK EXPERIENCE

Office of External Relations, Divine Word College of Legazpi

February 2026 – May 2026

Multimedia Intern

- Designed and produced visual publication materials such as tarpaulins and promotional content using Canva and Microsoft Office, achieving consistent branding for institutional events.
- Created social media publication materials aligned with DWCL's visual identity, enhancing the college's online presence and improving promotional reach.
- Captured and contributed photographs and layout designs to the 65th DWCL Coffee Table Book, supporting the documentation of key institutional achievements.
- Documented events through photography and assisted in publication production on the 65th DWCL Foundation Anniversary Working Committee, ensuring comprehensive coverage of activities.
- Collaborated closely with team members to optimize design workflows and enhance content quality for various digital platforms.

ORGANIZATIONAL EXPERIENCE

Senior Student Council

November 2025 – June 2026

Secretary

- Managed official documentation, administrative records, and meeting minutes using Microsoft Office, leading to organized and efficient council operations.
- Assisted the Student Affairs and Services Office (SASO) in daily operations, ensuring smooth administrative processes and enhanced student services.
- Designed presentation slides for the 58th DWCL Commencement Exercises, elevating the professionalism and visual quality of the program.
- Created publication materials and social media content for various student activities, effectively promoting events and increasing student engagement.
- Represented the graduating class in the Senior Student Council, overseeing production of the Batch 2026 Graduates' Yearbook and organizing related events.

The Channel Publication

January 2024 – June 2026

Chief Photojournalist & Senior Graphic Artist

- Led visual content production for print and digital releases, enhancing the overall quality of publications and ensuring adherence to brand guidelines.
- Designed publication layouts for magazines, newsletters, and brochures using Adobe InDesign, successfully maintaining consistent quality and strong branding across materials.
- Covered institutional events through photography for print and digital publications, producing high-quality visual content that strengthened news stories and social media engagement.
- Contributed to The Channel's success at the 23rd Regional Tertiary Schools Press Conference (RTSPC), winning awards for Best Visual Arts, Best Page Design, and Best Cover Design.
- Served on committees for significant events, documenting activities through photography and assisting in publication production, resulting in timely event documentation and promotional materials.

EDUCATION

Bachelor of Science in Information Technology
