WORK EXPERIENCE

Office of External Relations, Divine Word College of Legazpi

Legazpi City, Albay

Multimedia Intern

Feb 2026 – May 2026

- Supported institutional marketing and communication projects by planning and producing promotional materials, social media assets, presentations, and event documentation, resulting in consistent and professional visual content.
- Coordinated visual deliverables with the marketing team to maintain quality, consistency, and strong alignment with institutional branding.
- Contributed photography and layout designs to the 65th DWCL Coffee Table Book and the 65th DWCL Foundation Anniversary Working Committee, supporting the documentation of institutional milestones.
- Managed assigned creative tasks and deadlines while collaborating with team members across digital and print outputs, ensuring timely and high-quality delivery.

Freelance

Legazpi City, Albay

Creative Designer

Aug 2025 – Present

- Designed promotional content for clients, ensuring visually appealing and brand-consistent designs using Adobe InDesign, Canva, and Adobe Photoshop.
- Collaborated directly with clients to understand project requirements, revise designs based on feedback, and deliver high-quality creative solutions on time.
- Applied typography, visual hierarchy, and branding principles to improve readability and overall design quality.
- Managed multiple design projects while maintaining attention to detail and meeting deadlines.

PROJECT EXPERIENCE

The Machighian Publication

Macalaya, Castilla, Sorsogon

Freelance – Layout Artist

September 2026

- Designed the official directory social media graphics for the 2026-2027 Editorial Board and Staff, organizing names, positions, and visual elements into a clear and professional layout.
- Created a custom ID lanyard design aligned with The Machighian's visual identity, providing the publication team with a consistent branded material.
- Designed a sublimation layout for a polo shirt and hooded windbreaker jacket, applying the publication's branding to create cohesive apparel designs for the publication team.

Better Batter Café

Legazpi City, Albay

Freelance – Layout Artist

Feb 2026 – August 2026

- Managed the full layout project from client requirements and content organization through revisions and final delivery.
- Designed a 17-page food and beverage menu, A1-sized window poster, standee, along with a food and drink menu board for promotional use.
- Coordinated client feedback and revisions while maintaining consistent typography, visual hierarchy, and brand presentation across all materials.

2DibayNigator (2D Divine Navigator)

Legazpi City, Albay

Capstone Project – UI/UX Designer & Frontend Developer

Aug 2024 – Dec 2025

- Led the team from project planning and development to testing, documentation, and final defense, coordinating tasks and ensuring the timely completion of project deliverables.
- Developed a mobile campus navigation application using Flutter and Dart featuring an interactive clickable 2D digital map of DWCL Arnold Janssen Campus, enabling students and visitors to easily locate classrooms, offices, and facilities.
- Integrated an AI-powered chatbot using DeepSeek Reasoner and Firebase to provide instant answers to frequently asked questions and step-by-step guidance on enrollment procedures and school credential document requests.
- Designed a user-friendly interface focused on usability and accessibility, helping new students and visitors navigate campus spaces and administrative processes more efficiently.
- Built the system exclusively for Android devices, delivering a reliable and portable solution for campus navigation and school process guidance.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

DEVCON Legazpi Chapter

Legazpi City, Albay

Media and Creatives Volunteer

May 2026 – Present

- Designed social media graphics, certificates, and merchandise for the Heroes of Innovation Challenge 2026: Ibalong Festival Hackathon, ensuring all visual outputs were consistent, professional, and aligned with the event's branding.
- Supported the Documentation and Technical Teams by assisting in event coverage, content organization, and technical setup, contributing to smooth event operations and accurate documentation.

Senior Student Council

Secretary

Legazpi City, Albay

Nov 2025 – September 2026

- Managed official documentation, administrative records, and minutes of the meeting using Microsoft Office, leading to organized and efficient council operations.
- Assisted the Student Affairs and Services Office (SASO) in daily operations, ensuring smooth administrative processes and enhanced student services.
- Designed presentation slides for the 58th DWCL Commencement Exercises, elevating the professionalism and visual quality of the program.
- Represented the graduating class in the Senior Student Council, overseeing production of the Batch 2026 Graduates' Yearbook, including the 9x12-inch landscape cover layout designed using Adobe Photoshop.
- Coordinated and handled the Batch 2026 Legacy Project, improving student spaces and providing resources that benefit students and accredited student organizations at DWCL.

The Channel Publication

Chief Photojournalist & Senior Graphic Artist

Legazpi City, Albay

Aug 2024 – June 2026

- Led visual content production for print and digital releases, enhancing the overall quality of publications and ensuring adherence to brand guidelines.
- Designed publication layouts for magazines, newsletters, and brochures using Adobe InDesign, successfully maintaining consistent quality and strong branding across materials.
- Covered institutional events through photography for print and digital publications, producing high-quality visual content that strengthened news stories and social media engagement.
- Contributed to The Channel's success at the 23rd Regional Tertiary Schools Press Conference (RTSPC), winning 2nd Place in Best Visual Arts, Best Page Design, and Best Cover Design, and 5th Place in Best Concept.

Computer Science and Information Technology – Society

Head, Creatives and Technical Committee

Legazpi City, Albay

Aug 2023 – June 2025

- Designed promotional materials for student activities and academic events, resulting in visually consistent and engaging event promotions.
- Assisted in event branding, multimedia content production, and technical support during events, strengthening the organization's visual identity and ensuring smooth event operations.
- Prepared digital presentations and visual materials for organizational programs while also serving as photographer, enhancing the professionalism and overall impact of CSIT-S activities.
